SIF RELATED

- improving portfolio quality as basis for increasing its value and revenue generating capacity
- active involvement in majority-owned companies to improve performance
- streamline the existing portfolio with an aim to reduce exposure in minority-stake companies that do not fit in the Company's investment strategy
- adjusting to the major economic challenges generated by an unpredictable political climate
- increase visibility, transparency and improve corporate governance

MARKET RELATED

- to develop the local capital market by promoting the issuance of new financial products that would increase both liquidity as well as the number of active investors
